

## List of projects supported by EXIMBANKA SR and reported to OECD during period 2011 – 2020

No.	Date of notification to OECD	Description of the project	Category	Country	Location
1.	03 January 2011	Complex process equipment for condensation and manufacturing of dry whey and a whey-fatty concentrate	C	Belarus	Ljublan
2.	09 January 2011	The complete production line for modernization of existing milk dryer plant	C	Belarus	Molodechno
3.	06 March 2012	Manufacturing and delivery of tire machines	C	Russian Federation	Omsk
4.	11 June 2012	Manufacturing and delivery of tire machines	C	Russian Federation	Omsk
5.	24 September 2012	The complete set of equipment for modernization of existing milk dryer plant	C	Belarus	Polotsk
6.	22 November 2012	Complex process equipment for reconstruction of dry dairy products production facility	C	Belarus	Kalinkovichi
7.	22 November 2012	Complex process equipment for condensation and manufacture of dry whey and a whey-fatty concentrate	C	Belarus	Khojniky
8.	17 June 2013	The complete set of equipment for modernization of existing milk dryer plant	C	Belarus	Molodechno
9.	05 August 2013	The complete set of equipment for modernization of existing milk dryer plant	C	Belarus	Slutsk
10.	26 November 2013	Modernization of the control system of the Operating Power Plant	C	Cuba	Nuevitas

11.	20 January 2014	Machinery Equipment - horizontal-type-chuck and center lathe with accessories	C	Belarus	Gomel
12.	20 January 2014	Machinery Equipment - horizontal-type-chuck and center lathe with accessories	C	Belarus	Lida
13.	12 March 2014	Machinery Equipment - lathes with accessories	C	Belarus	Berezino
14.	17 March 2014	Machinery Equipment - lathes with accessories	C	Belarus	Mozyr
15.	29 September 2014	Automatic line for production of dry milk	C	Belarus	Gomel
16.	12 December 2014	Automatic line for production of dry milk	C	Belarus	Glubokoe
17.	22 December 2014	Automatic line for production of dry milk	C	Belarus	Slutsk
18.	16 July 2015	Automatic line for production of dry milk	C	Belarus	Slutsk
19.	27 August 2015	Waste incineration plant - supply of boilers	B	United Kingdom	North Yorkshire
20.	18 April. 2016	Wind farm	B	Finland	Posio
21.	12 July 2016	Construction of the technological line for production of tire components	C	Belarus	Bobruisk
22.	12 July 2016	Construction of the technological line for production of tire components	C	Belarus	Bobruisk

<b>23.</b>	14 October 2016	Modernization of the existing power plant unit	B	Cuba	Maríel
<b>24.</b>	10 November 2017	Complete set for milk processing	C	Belarus	Pruzhany
<b>25.</b>	22 November 2017	Modernization of existing power plant block	A	Cuba	Felton
<b>26.</b>	22 November 2017	Delivery and installation of the equipment for food industry	C	Germany	Munich
<b>27.</b>	15 May 2018	Delivery and installation of the equipment for food industry	C	Belarus	Luninets
<b>28.</b>	18 December 2018	Delivery of equipment for modernization of the existing milk dryer	C	Belarus	Mogilev
<b>29.</b>	31 December 2018	Delivery of passenger and light trucks tires manufacturing machine	C	Russian Federation	Yaroslavl
